OTPYM's Founder, Michaela Guzy appeared on Houston Life (2KPRC) to discuss her Tips & Tricks for Your Next Immersive Travel Experience. This Jetset Gypsy spends about 9 months a year on the road for her website and video series, so she shares her TOP hacks from the road, including the best apps, sites and new airline routes, but most importantly the most immersive travel experiences near and far. On her list? On her list? Skyscanner's NEW app, TrustedHouseSitter.com for pet lovers, Eagle Creek's new luggage line with National Geographic, United's new direct flights to Australia, epic wildlife experiences across the land down under, Sofitel on Lake Michigan, the LEED Certified W-Austin and cycling across central Cuba...but you have to watch the segment to find out why!
