

Hideaways of the stars: Where Hollywood's A-listers go to relax

After the Oscars are over, where do Hollywood's brightest stars go to relax? These are just a few of the places they've been known to frequent.

Villa Agave, Dubrovnik, Croatia

Kevin Spacey (Best Actor winner for "American Beauty," 1999) was the very first guest at this former summer home overlooking the Adriatic. The 3,000-square-foot villa boasts 24-hour butler service, a swimming pool, private beach and shady terrace with views of both Old Town Dubrovnik and nearby Lokrum Island. Morgan Freeman (Best Actor winner for "Invictus," 2009) and five-time Oscar winner Francis Ford Coppola have also stayed here.
