As cruising rises in popularity, the cruising experience becomes more and more diverse. Today's traveler has the option of ocean cruises on mega-ships or historic clippers, or small vessel cruises along the world's many inland waterways. Entertainment and dining options on board are better than ever. USA TODAY 10Best is out to find

the best cruise lines and vessels sailing the world's rivers and seas. Vote once per day for your favorite in each category until polls close on Monday, January 4 at noon ET.
