Advisor members of Mon Ami Club, CroisiEurope Cruise's travel agent loyalty program, have the opportunity to win a complimentary cruise in South Africa when they sell three cabins or six clients onboard one of the cruise line's upcoming South Africa itineraries.

Additionally, agents who sell during this promotional period — which runs from Dec. 15 — will receive \$570 off each double cabin sold. The incentive applies to new agent bookings of 11- or 14-day southern Africa packages. Two advisors will win a cruise for one person, and the winner will be chosen Dec. 20.
