In preparation for CroisiEurope's launch of the new RV African Dream in Southern Africa, the river cruise line is running a travel agent contest for a free cruise onboard.

Of course, it's always in an agent's best interest to sell new products to keep clients engaged as well as gain commissions for themselves. However, the potential opportunity for the agent to also set sail only sweetens the pot.

Now is the moment to make that sales push.

Two qualifying travel agent partners that are members of CroisiEurope's Mon Ami Club loyalty program can win a safari-cruise for one person. In order to enter the contest, participants must confirm new bookings for three cabins or six guests on one of the 11- and 14-day Southern Africa itineraries by December 15, 2017.

Winners will be drawn on December 20, 2017.

Further helping promote the new product to clients while encouraging agents to enter the contest, the line is also extending \$570 savings for every double cabin reserved.

The Southern Africa cruise will feature explorations of the Chobe and Zambezi rivers by land and by water. A day at Victoria Falls is another highlighted inclusion. A 5-day/4-night stay is had at the Cascades lodge as well as a 4-day/3-night cruise-safari onboard the intimate 16-guest RV African Dream.

Luxury accommodations encompass six French balcony suites and two deluxe suites with larger verandas. Also showcased are the ship's panoramic dining room, lounge bar and rooftop terrace. A second vessel is scheduled for 2018.
