## CroisiEurope Adds New Douro Ship, Adriatic Cruise for 2019

by Newsdesk | Sep 17, 2018 1:38pm

CroisiEurope River Cruises has a number of new updates on tap for 2019. In addition to a new ship joining the fleet on the Douro River, the river cruise line will be launching a cruise along the Adriatic on the *MS Belle de l'Adriatique*.

Prices for this eight-day cruise start at \$2,518 per person with cabins on select February and March 2019 departure dates still available.

Destinations include Croatia, Greece, Albania and Montenegro. Features of the program include:

## The #1 Industry Event for Specialization | Oct. 9-11, 2018

Travel Industry Exchange is the leading one-to-one event featuring a product-focused conference, networking and entertainment. Top agents vie for coveted hosted positions to leverage valuable supplier content that will help improve personal growth and increase overall sales.

[LEARN MORE](#)
