CroisiEurope recently launched its first-ever Africa product with land-and-cruise packages through South Africa, Botswana and Namibia. New reservations will receive \$572 off per cabin on select fall and early winter departures, with prices starting at \$6,033 per person.

This newly launched program features:

—A panoramic tour of Johannesburg's Freedom Park and the unique atmosphere in Pretoria, a well-known neighborhood.

—Three nights on board the new RV African Dream, a new eight-suite ship with a sundeck providing 360-degree views, hot tub and CroisiEurope's signature gastronomic cuisine.

—Three nights in CroisiEurope's Cascades Lodge, the company's first ground accommodations, located on one of the islands created by the Zambezi River.

Big Five Tours Launches New Sustainable Travel Website

—Excursions while on board the RV African Dream include cruising along the largest man-made lake in the world, discovering the Lake Kariba Dam, exploring Gache Gache River and its unique wildlife, and Matusadona National Park.

—Exploration of Chobé National Park on a full-day safari, taking small boats to Sedudu Island and its marshes and visiting a local village on Impalila Island to learn about these local Namibian traditions and cultures.

Guests can also book an optional excursion to experience Victoria Falls by helicopter.
