CroisiEurope Launches 3 Ships, Offers Single Supplement Waiver

CroisiEurope, a European river cruise line, inaugurated three new ships this spring, bringing its fleet to a total of 55 vessels. These new additions — including the ***MS Van Gogh***, ***MS Renoir***, and ***MS Elbe Princesse II*** — reflect the continued growing demand for river cruising, the cruise line said. Two of this year's inaugurations are for ships that underwent complete redesigns, while the third is a new build.

The *MS Van Gogh* and *MS Renoir* have been completely redesigned to provide more spaces to passengers — meeting the requirements of a Premium Class ship. Both ships will hold a total of 54 Wi-Fi connected cabins for up to 105 passengers. The *MS Van Gogh* will cruise from **Lyon** on the **Rhône** and **Saône Rivers**, and the *MS Renoir* will cruise on the **Seine** between **Paris** and **Honfleur**.

CroisiEurope's youngest ship, the *MS Elbe Princesse II*, is the sibling ship to the ***MS Elbe Princesse*** and incorporates the same paddlewheel technology that gives the vessels a low draft. This new-build has 45 cabins for a total capacity of 86 passengers, including three single cabins and one handicap accessible cabin. This ship will cruise on the **Elbe** and **Vltava Rivers** between **Berlin** and **Prague**.

Earlier this year, CroisiEurope launched a re-designed **Southern Africa** water-and-land program onboard the ***RV African Dream***, CroisiEurope's new luxury ship cruising along **Lake Kariba**. In 2019, CroisiEurope has plans to build another new ship, the ***MS Amalia Rodrigues***, destined for the **Douro**. It will be the company's sixth ship on this river.

In addition to the new ships, CroisiEurope also announced a special fare for solo cruisers — the Single supplement fee is being waived on all 2019 cruise departures on bookings made before June 30, 2018. Solo travelers can choose from CroisiEurope's portfolio of French canal cruises, European river cruises, out of **Europe** cruises in **Africa** or **Vietnam** and **Cambodia**, coastal cruises or themed itineraries. Departures on the latest ships like the *Van Gogh*, the *Elbe Princesse II*, the *Renoir* or CroisiEurope's *African Dream* all qualify for this offer.
