

# CroisiEurope Debuts New Website

by [Daniel McCarthy](#) / May 04, 2018

River cruise company CroisiEurope debuted the newest version of its website this week with a new, intuitive web design.

The website now allows for detailed searches. It also includes a more efficient booking process.

To access the website, [go here](#).

[CroisiEurope also recently announced](#) it is offering agents a last minute fam opportunity through the Rhine Valley onboard the MS Gerard Schmitter from May 20-27, 2018.
