15 Under-the-Radar Cruise Ports to Visit Before Anyone Else

 Ramsey Qubein

Not all ships dock in major cities or popular Caribbean islands; in fact, some of the most intriguing sights and destinations may be hidden behind an unfamiliar name. These 15 smaller ports lead to some major world sights that are off the beaten path.

Siem Reap, Cambodia

Kosin Sukhum/Shutterstock

This city's name may not roll off your tongue, but it is an important place because it is home to the famous Angkor Wat temples, which are exceptional displays of Khmer architecture and history. It is also a starting or ending point of most Mekong River cruises, including [CroisiEurope's sailing](#) between here and Ho Chi Minh City (Saigon) in Vietnam aboard the modern *RV Indochine II*. Find out more about our favorite [affordable bucket list destinations that won't break the bank](#).
