SCHNELL — YOU wanted more service to Berlin, you got it. As of this past Sunday, **Airberlin** is flying nonstop between here and there four times a week: Mondays, Wednesdays, Fridays and Saturdays ([airberlin.com](#)).

TUSK LOVE — SURE, \$4,400pp might seem pricey for a week-long safari through Kenya when it doesn't even include the airfare to get there, but keep this in mind: If you sign up for **Extraordinary Journeys Africa**'s 8-day "Great Cats and Magnificent Elephants" itinerary, they'll adopt an elephant on your behalf ([ejafrika.com](#)).

IN LIKE FINN — THINK Finland's nothing more than herring and cellphones? You need to get out more. Don't worry, not actually to Finland — just San Diego, for the city's 28th annual **FinnFest**. It's five days (Aug. 10-14) of food, music, films, sports and other guaranteed forms of Nordic weirdotainment ([finnfest2011.com](#)).
