Aries

The pioneer and trailblazer of the zodiac sign, stubborn and unstoppable Aries will continue to ram against something - metaphorically, of course - until the vision is accepted by others.

Wine: Pignoletto (also called Grechetto in some areas). Not yet huge in the US, it is poised to be the next big thing and you, Aries, are just the person to make it so. Made in the Emilia Romagna region of Italy, this sparkling white wine has rounder, smoother bubbles than its sister, prosecco. It is also more delicate, tending to take on more floral and sweeter fruit notes.
