Italy is one of the most popular vacation destinations in the world, and it's no wonder—just look at it! Every city, village and beach from the Dolomites to the Amalfi Coast looks like it belongs on a postcard. Just in case you needed a reminder of how gorgeous this entire country is (or an incentive to book your next trip), we're going to leave these wanderlust-inducing photos right here for you...

BOLOGNA, EMILIA- ROMAGNA

Located about halfway between Venice and Florence, Bologna gets its nickname, *La Rossa* (the red one), from the ubiquitous terracotta buildings in the medieval city center.
