CANCUN, Mexico—Finnair believes it can compete with Air China in connecting Chinese passengers to Cuba when it launches Helsinki–Havana flights in December, Finnair CEO Pekka Vauramo said. Finnair, which is the midst of a period of rapid

expansion, plans to launch twice-weekly Helsinki–Havana flights with an Airbus A350-900 on Dec. 1. The service will be seasonal, operating until March 23, 2018. Speaking to Aviation Daily’s sister publication ATW at the recent IATA ...
