*One of the best parts of vacation is feeling like you're getting away—from your work, your regular life, that 6 a.m. workout class that you're trying to avoid. But what about when you want to escape all that and the crowds? We've got you covered. Here, 30 destinations that are largely tourist-free, whether it's a beach in the least-visited country on earth, or a mountainous microstate surrounded by Italy.*

## 18/30 Finnish Countryside

If you and everyone else you know has [already gone to Iceland](#)—or are just tired of hearing about it—try another Scandinavian country: [FinnAir's stopover program](#) is just as good as [Icelandair's](#), but has yet to gain as much traction. Once there, swap nightlife for nature with the country's new [FinRelax program](#), which promises to transform you into a [whole new person](#).
