Perillo Tours, a leader in the travel industry, is expanding its horizons to Malta, a hidden gem in the Mediterranean. Steve Perillo, CEO, Perillo Tours, announced that they will now start offering a Malta extension to their Italy Escorted Tours, which will take guests to the beautiful island nation beginning in 2018.

The Perillo Tours Malta Extension, four days and three nights, provides guests with a carefree, relaxing, and informative way to visit the Maltese archipelago. The tour includes airfare transfer from Italy to Malta, three nights stay at a 5-Star Deluxe hotel, a daily breakfast buffet, and one dinner at the hotel. In addition, the tour guided excursions lead guests through some of Malta's magnificent landmarks including: The Blue Grotto, a picturesque cave, with luminescent coral and azure water, where swimming and scuba diving is popular; the city of Valletta, a UNESCO World Heritage site; and the "silent city" of Mdina, which served as the island's capital from antiquity to the medieval period.

Steve Perillo, who had recently visited Malta, said "I was able to experience Malta, this beautiful island nation, firsthand. Malta has some of the richest history in all of Europe – dating back 7,000 years. You'll see the oldest archaeological structures ever created by man. When it's time to eat, you'll taste the influence of Italian, Greek, Spanish, Arabic, and Maltese cooking styles. I am pleased that we will be offering travelers a unique experience, unrivaled by any others."

"We are especially pleased to have such an iconic brand as Perillo Tours, include a Malta extension to its Italy tours," said Michelle Buttigieg, Malta Tourism Authority (MTA) representative in the US." She added, "The timing is excellent as Perillo guests can take full advantage of the multitude of special upcoming calendar of events and festivities dedicated to Valletta, the European Capital of Culture for 2018."

For those that wish to visit Malta exclusively, Perillo's Learning Journeys can customize two in-depth tours of the island: Mystical Malta-Wellness Gastronomy and Culture; and Malta Explorer- History, Culture, Gastronomy. Perillo Tours will also create a customized, personal itinerary for customers upon request.
