

SOLO TRAVEL

The Best Tours for Single Travelers

by Melissa Locker November 10, 2016

There are a lot of reasons to [travel alone](#). Perhaps you're lucky enough to have more vacation days than any of your friends or family. Maybe you long to explore far-off countries (India! Morocco! Peru!) while your friends prefer to stay closer to home. Or many of you just want to experience the joy of solo travel and the thrilling experience of being on no one's agenda but your own. The idea of solo travel can be daunting, though, which is where tour groups come in. Traveling with a tour company can give individual travelers the freedom to explore on their own, choosing a destination and itinerary that works for your taste, while also providing the security and kinship of a group.

Ahead, our picks for the best tours to take when you embark on an adventure for one.

Sometimes the best travel
buddy is yourself.

Wellness Adventure in Malta

Italy's Amalfi Coast has a lot to offer visitors from food, wine, sun, and history. Experience it all on a trip to the coast's lesser known Maltese archipelago made of the idyllic islands of Malta, Gozo, and Comino. Perillo's Learning Journeys offers a tour that lets travelers indulge in the islands' food and drink with cooking classes and wine tastings, and gives them the opportunity to work it off with yoga and spa visits. It's a whole body trip with plenty of history. Tour palazzos, temples, artists' studios, villas and stately gardens, and the shops that line the streets of Valetta and Mdina. To make the tour even more enticing, Perillo offers special pricing for solo travelers, while giving the comfort and security of a group.
