## Leisure & wine in Spain with Arts & Leisure Tours

Wine tasting in Spain – there are few things in life more decadent. Arts & Leisure Tours/Travel with Flair is offering the nine-night 'Rioja and the Basque Country' tour, which includes plenty of local wines and delicious food.

After arriving in Bilbao where guests will enjoy a walking tour in the Old Quarter and visit the Guggenheim Museum, the tour then travels to Plentzia, a small town on the coast. Here, guests will discover the underwater cellar onboard 'Crusoe Treasure' boat, tour the Cantabrian Sea and sample Crusoe Treasures wines with tapas on the boat. After a stop in Mutriku for a visit to the Fishermen Gastronomic Society and a lunch prepared by a local chef and fisherman, guests will then stop in Guipuzcoa, famous for its cheese,

while en route to San Sebastian. Upon arrival, they'll visit La Bretxa market and take part in a cooking class alongside professional chefs.

The tour winds down in Rioja with a private visit to one of the oldest wineries in Laguardia, a medieval town in the heart of the region. Other highlights in Rioja include lunch at a 'nouvelle cuisine' restaurant, a cooking class, and a visit to Marqués de Riscal winery in Elciego. This tour is priced upon request, based on travel dates, for two people or more.
