virgin atlantic Flights to New York

Coppola Resorts (of Francis Ford Coppola fame) have created a memorable visit to Belize with the "Alexandra Cousteau Discovery Experience".

This adventure invites guest to journey through Belize recreating the recent trip undertaken by *National Geographic* Emerging Explorer, Alexandra Cousteau. Cousteau visited Belize while working on a documentary "Expedition Blue Planet: Belize". Guests will enjoy stays at both the Blancaneaux Lodge (dramatic rainforest lodge) and beach-side at the luxurious Turtle Inn. The adventure includes excursions to Maya sites, exploration of the

Rio Frio Cave and Rio on Pools, Birding in the rainforest and Ridge Forest Reserve, a river float to the Caves Branch River and snorkeling at Silk Cayes and Belize Barrier Reef. More details for this don't miss experience can be found at

CoppolaResorts.com.
