### Manoir Hovey, North Hatley, Quebec

This Relais & Châteaux estate along the shores of Quebec's Lake Massawippi is surrounded by 30 acres of woodland and has nearly 2,000 feet of lakefront. There are 37 rooms and suites. Some have a contemporary aesthetic while others feature a more traditional experience complete with stunning patchwork quilts and nature-themed wallpaper.

Larger parties should book the Dragonwatch Cottage, a private three-bedroom unit adjacent to the main house. It has its own beach, a boat house, and a relaxing over-the-lake deck. A year-round destination, the hotel offers a slew of wintertime doings, such as snowshoeing, ice skating, and downhill skiing at nearby Mont Orford. *Rooms start at \$160; 575 Rue Hovey; 819-842-2421; [manoirhovey.com](http://manoirhovey.com).*
