CELEBRATE NEW YEAR'S EVE IN MONTREAL

No North American city is quite as scenic in the dark days of winter as Montreal, the bustling hub of French-speaking Canada. Our northern neighbor's second-largest city wears its winter coat well, with public parks such as Mount Royal packed with skiers, skaters, snowshoers, and sledders. New Year's Eve is the best time to visit as the holiday lures tens of thousands of spectators to the city's Old Port for DJs, dance parties, and midnight fireworks.
