10 Awe-Inspiring UNESCO World Heritage Sites Everyone Needs to Visit

BY LINDSAY COHN

From man-made marvels such as Taj Mahal and the Parthenon to natural wonders like the Grand Canyon and Iguazu Falls, these stunning sites should be at the top of your travel bucket list.

Old Québec

MANUEL LACOSTE/SHUTTERSTOCK

Founded by the French explorer Samuel de Champlain in 1608, Québec is among the oldest settlements in North America (and one of [the most popular travel destinations in Canada](#)). Centuries-old charm is on full display in its impeccably preserved historic district, a shining example of a fortified colonial city with cobblestone lanes, churches, convents, and landmarks like Château Frontenac and Place Royale. Before you go, brush up on [these essential French phrases](#).
