Manoir Hovey

Quebec

Manoir Hovey is a 5-star historic Relais & Châteaux property located in one of Quebec's most picturesque villages near North Hatley. Nestled on 35 acres of beautifully landscaped gardens and birch forest along the shores of Lake Massawippi, the manor is a 75-minute drive along the scenic Routes des Vins from Montreal and only 20 minutes from the border with Vermont.

The hotel offers 37 elegantly appointed lakeside rooms and suites with panoramic vistas of gardens, lake, and hills. The very spacious Vista Suites are perched atop a ridge overlooking the Manor and provide sweeping 180-degree views of the lake. These romantic suites have their own landscaped grounds with a swimming pool and individual hot tubs.

Many recreational facilities are available right on site in all seasons and are included in all rates, such as outdoor heated swimming pool (mid-May to mid-October), tennis courts, canoes, kayaks, and bikes. In addition, guests can engage in following activities: private yoga session, lake cruise, fishing with a local guide (or ice fishing in the winter), massages and facials.
