## MAKE MOVES IN MONTREAL THIS SPRING

*April 9, 2018*

Montreal is a beautiful city for those who want to experience both English and French-influenced art, culture, religion, and more. Visitors can walk in public areas and spot over 800 artworks crafted by 450 artists, thanks to the Art Public Montreal Project (**map available**). Live the life of a local by hitting music hotspots that feature indie-rock at **Le National**, jazz at **House of Jazz**, international talents at **La Vitrola**, and **more**. Montreal is also rich in **religious heritage** with landmarks such as **Saint Patrick's Basilica** – the oldest English-speaking Roman Catholic Church in the city. There's always something going on at Montreal, so check their **official tourism page** for an updated list of attractions and events.
