THE 50 CHEAPEST, CHICEST HOTELS IN THE WORLD

It's time to say goodbye to hotel FOMO forever. How so? We've come up with a list of the chicest properties around the globe to ensure that you're always staying in the coolest, most design-oriented spots every time you travel — while keeping an eye on your wallet, of course.

Every Instagram-worthy spot ahead proves you really can have it all without breaking the bank: communal spaces, thoughtful design, and a safe, clean space to rest your head.

Whether you're planning a weekend getaway or looking for international adventure, check out our selects to inspire some wanderlust, and get your 2016 travel bucket list off to a dreamy start.

HOTEL GAULT - MONTREAL, CANADA

Hotel Gault (Montreal, Canada)

Situated in the historic neighborhood of Old Montreal, this ornately engraved former mansion will stop you right in your tracks. The space combines Haussmann-era Parisian architecture with modernist interior design. The hotel also displays ever-changing collections from local modern artists and is located near some of the city's best museums — making it ideal for those looking to soak up the arts.
