The Caribbean's most exclusive villa portfolio just got bigger.

St Barth properties has announced the addition of two new villas to its portfolio: Villa Vision and Villa Monika.

The three-bedroom Villa Vision is home to an extra-long infinity pool, just a few minutes from the village of St Jean, currently rentable for stays beginning at \$10,070 per week during value season, and \$12,070 during high season.

The other property, Villa Monika, is located on the hillside of Vitet, with two bedrooms and a pool terrace. It begins at \$3,670 per week during "value season" and \$5,570 per week during high season.
