

## St. Barth Properties Announces Two New Villas

February 4, 2016 -

For travelers looking to escape the winter blues to a sunny and warm destination, St. Barth Properties is excited to announce the arrival of two new villas to their expanding portfolio.

Villa Himalaya and Villa Fleur de sel. A stay at these luxurious villas, along with St. Barth Properties' signature best in class concierge services, is the perfect winter getaway for a completely peaceful and restorative vacation.

Villa Himalaya is situated on the hillside of Petite Saline. This beautiful five bedroom Villa Himalaya was named for its stunning views. The oversized infinity pool with incredible ocean backdrop is the perfect location to enjoy the sun and watch beautiful sunsets against the scenic mountain top views of St. Barth. Rates start at \$12,070\* per week during value season and at \$21,070\* per week during the high season .

Highlights include:

- Guests will enjoy the spectacular views from a number of outdoor decks and expansive terrace with an oversized infinity pool;
- All five bedrooms comes with king size beds with stunning water views;
- Enjoy a quick workout in the gym on the treadmill or indoor cycle, while taking in the views.

Villa Fleur de Sel is a French designer inspired five bedroom villa, located just minutes away from the heart of Gustavia, and offers spectacular views of the neighboring islands of St. Maarten, Stacia, and Saba. Rates start at \$20,070\* per week during value season and \$30,070\* per week during high season.

Highlights include:

- Guests will be wowed by the spectacular sunsets from a variety of outdoor living spaces;
- Enjoy a quick dip in the oversized heated infinity pool;
- French designer Phillippe Starck décor pieces are seen throughout the villa with each of the five bedrooms are named after a prominent french designer (Yves St. Laurent, Hermès, Chanel, BVLGARI and Louis Vuitton for the master suite);
- BVLGARI room located on a lower level has a private deck and Jacuzzi for the ultimate private retreat.

\*The peak travel season in St. Barth is from December 15 to April 15 and the value season is April 16 through December 14. Weekly rates are subject to an additional 15% tax and service charge.
