**St. Barth Properties** recently introduced a "matching pair" of six-bedroom villas to their expanding portfolio: **Villa Aqua** and **Villa Bleu**.

Client can enjoy the multi-colored bay of **Grand Cul de Sac** and complementing extra-long infinity pools, with private beach access.

Rates for **Villa Aqua** and **Villa Bleu** start at \$32,070 per week during value season and at \$40,070 per week during the high season. As an added perk, clients at these villas will enjoy access and signing privileges at **Le Barthelemy Hotel & Spa** during their stay.

**Villa Aqua** and **Villa Bleu** both offer views of the sea. Open floor plans include a living room and dining area that open via a bank of French doors onto the pool deck and outdoor living space.

Their kitchens are equipped with modern appliances and include a pantry and food prep area perfect for entertaining guests.

Their six en suite bedrooms include four with French king beds on the beachfront level and two upper-level master suites with king beds and a living area; each opens onto a furnished balcony with a view.

Both of these properties are in walking distance two casual restaurants, the bars and dining venues of three five-star hotels (with access and signing privileges at Le Barthelemy Hotel & Spa) and on-location water sports rentals.
