The 2017 WOW List: Wendy's Trusted Travel Experts

WENDY PERRIN | NOVEMBER 6, 2017

THE PROBLEM

You're planning an important trip to an unfamiliar destination. You want minimal hassle and maximum efficiency—no time-wasting logistical surprises, no battling tourist hordes and lines. You want to experience the destination like an insider. Oh—and those special perks and upgrades reserved for the regulars? You want those too.

THE SOLUTION

You need a travel fixer with unparalleled on-the-ground connections and expertise—a destination specialist who lives where you're going, or visits often enough to have an office there, and who holds the keys to the kingdom, including access to the most well-connected local expeditors (hardly just “guides”) and the most atmospheric places to stay, with the most to-die-for views. That's exactly what The WOW List is, a collection of the best travel planners around the world, whom I've tested and vetted based on my own experience as a traveler and journalist, and based on feedback from my readers. [Here is proof that The WOW List works.](#)
