### **Villa Vision and Villa Monika, St. Barth Properties**

St. Barth Properties is [expanding its accommodations](#) with Villa Vision in St. Jean and Villa Monika in Vitet, Saint Barthélemy in the Caribbean.

The three-bedroom Villa Vision is aptly named: it's perfect for those looking for a view. Two of the three bedrooms have their own outdoor pavilions that overlook the sea. The location also provides guests with quick and easy access to the town and its local shops, restaurants, and one of the island's most popular beaches.

Also available to guests of Villa Vision is its extra-long infinity-edge pool and even an air-conditioned library.

On the hillside of Vitet sits Villa Monika. This villa is perfect for couples and small friend or family getaways (although the master bedroom is located in a separate pavilion). Villa Monika has a very modern and clean design with a white-centric color palette. From the pool terrace and outdoor living and dining spaces, guests will get views of the Grand Cul de Sac's lagoon.

Additional amenities include a full kitchen, sit-up bar, office area, and French king beds and Apple TVs in the bedrooms.
