St. Barth Properties Introduces Villa ELA, a Rare Beach-Front Gem!

St. Barth Properties introduces Villa ELA, a new addition to St. Barth Properties' ever-expanding portfolio. This exquisite villa compound is one of those rare St. Barth-gems located directly on Flamands, one of the island's most popular beaches. This villa is the perfect winter getaway for family or group of friends, with eight en suite bedrooms housed in two separate bungalows. Rates at Villa ELA start at \$38,000* per week during value season and at \$40,000* per week during the high season. The main house's open floor plan includes a kitchen, dining area, and a chic, comfortably furnished air-conditioned living room. With its dark woods and white palette, the

décor embodies a casually-elegant beach vibe. The living area opens to the deck and panoramic views of the sea. An expansive two-tiered wooden deck provides a wealth of outdoor living space plus remote-control...
