## A Great Way to Experience the St. Barth Gourmet Festival

With the [St. Barth Gourmet Festival](#) three months away, St. Barth Properties is partnering with some of the island's most luxurious villas for a special package.

Guests who book a minimum of seven nights over the festival dates at one of six participating villas will be treated to one of the eight-course dinners hosted by acclaimed guest chefs from around the world.

Prices start at \$9,970 for the week and vary based on the villa chosen and number of bedrooms reserved.

The gourmet vacation begins upon arrival with a bottle of red wine and foie gras homemade by private chef Pascal Preynat waiting for guests at their villa.

Participating villas include Danse du Soleil, Utopic, Le Manoir de Lurin, Chant de la Mer, Kyreve and Orion.
