Zicasso has two tours, one will Spain take you in the “footsteps of Daenerys Targaryen when walking on the sands of Itzurun Beach, as she retakes her first steps into the Seven Kingdoms” and Iceland where fans can venture north of the Wall.

As awesome as these packages are, they will run you a pretty penny.

Tours can range anywhere from \$700 to over \$5,000 depending on how customized you'd like your Westerosi journey.
