Fly from Atlanta to Salt Lake City for \$162 round-trip, including all taxes, on United Airlines.

This fare is valid for travel 7 days a week, with a 330-day travel window, so lots of dates to choose from. As always, you'll have a better time of finding seats for off-peak/non-holiday travel, though we did see this fare available for early Thanksgiving morning departures, returning the following day. Surely that works for someone out there.

For booking info, see our [fare details](#). Departures from Charlotte [also available](#).
