## Finnair Offers Summer Rates to 21 European Destinations

April 13, 2011 10:48 PM

Finnair will offer special rates for summer travel to 21 cities in Europe. Finnair flies the shorter northern route via Helsinki, offering a fast and efficient connecting time for passengers traveling to Europe. Finnair's summer rates between JFK International Airport and Europe will start at \$776. Finnair will also open two new destinations including Murmansk in Northern Russia and Aarhus in Denmark in cooperation with Sun-Air. Leisure flights to Malaga and Nice will change to a scheduled service during the summer session.

Direct services to other familiar summer destinations include Slovenia, Poland, Lisbon, and Pisa. In addition to serving over 50 destinations in Europe, Finnair flies the shortest and fastest direct route to 10 cities in Asia via Helsinki such as Delhi, Hong Kong or Seoul. Flights to Delhi start at \$836. A direct service between Chicago and Helsinki will begin May 14, 2011, when oneworld partner American Airlines starts operating the new route.
